Aaaah...  
Aaaah...  
Aaaah...

Welcome to Utopia  
Life here is perpetual bliss  
No cares, only happiness  
Love never dies

Please stay in Utopia  
With me, a perpetual kiss  
We'll share, in Utopia  
Love never dies

Aaaah...  
Ooooh...

Love me in Utopia  
That's all I require to survive  
No cares, only happiness  
Love never dies

Please stay in Utopia  
With me, a perpetual kiss  
We'll share in Utopia  
Love never dies...
