Another one

[Verse 1]

M.A, I ride these tracks wit no pedels

and hold medels, since I was born i've been so ghetto

I grew up in the projects called Howitt

and if you ran from a fight, you was a coward, and got devoured

Since then, aint much change as far as I go

Accept that, I dont eat pork and I do Tybo

Still ghetto like old sneakers an new strings

or a little baby with a chain, and a few rings

I'm ghetto like a Lucy Newport

I'm ghetto like smokin' weed, drivin' through Oakland  
pumpin' Too \$hort

A long with a few quatres, and a six-pack of St.I'z

Tha same guyz that always get high, off what you  
bought

I'm ghetto like turning your channels with a pair of  
pylers

Alotta cats claim that they ghetto, but they're liars

It's plain to see, I'm so ghetto as I claim to be

whos got as much ghetto game as me, Nobody!!

[Hook]

I'm Ghetto like...10 carrot gold rings and chains

I'm Ghetto like...Pitty pat and space games

I'm Ghetto like...Mail boxes with 5 names

I'm Ghetto like...you

Yes I'm Ghetto like...you

I'm Ghetto like...rockin a skully in mid-summer

I'm Ghetto like...A-track tapes of Stevie Wonder

I'm Ghetto like...4 tv's up in the hummer

I'm Ghetto like...you

when I'm Ghetto like...you

[Verse 2]

Every night on my block police question the theifs

I'm ghetto like finding a bottle, and catchin bees

I'm ghetto like rockin do-rag in a new jag

with NO licence and NO registration,NO hesatation

I'm ghetto like 4 chicken wings and french fries

and still wanna freestyle on the bench with the guyz

I'm ghetto like red kool-aid with madd sugar

I'm ghetto like my 3 niggas Smurf, Poonchy and Boogar

I still go back on the block to see friends

and ghetto like a benz with a spare, and 3 rims

I'm ghetto like medicade, I went to school in the ghetto  
and I still gotta better grade

there's a whole lotta cheddar made, people are soo  
broke

I'm ghetto like taking a shower with no soap

An from the heart this the way it gotta be

You can take me outta it, but cant take it outta me

Hear me out

press-ons

and ruker park with high heels and a new dress on

I'm ghetto like them chicks that hate kobe's white  
feonsay

I wanna try to fight her, Brandy and Bionsay

I'm ghetto like them bitches who boost minx and a  
griddle

YO! I'm more ghetto than a crab end on merdole

I'm ghetto like goin' to the grammys in a Va'lore

try the dress, than the next day taking it back to the  
store

including the shoes you wore, with the bottom taped up

so you could dance all night without getting the bottom  
scraped up

I'm ghetto like going food shopping at house slippers

pushing 2 babies in 1 stroller

Can a rapper tell you he more ghetto than me
