[\*Welcome to the wonderful world of sex\*]

(Masta Ace)

I'm sayin though right after the shows over

tour bus is outside, matter a fact

this club gotta bathroom and a basment

watever, I'll have ya know

(Masta Ace)

I will be delighted to fuck you

Outside, vocal booth, plane, train, automobile or even  
in the lunch room

Once the period in your private area dries

We could fuck on your kitchen counter like american  
pie

Where I had to keep the sperm muzzle (uh huh)

I grab your head while your giving it

like I'm bangin it against the turnbuckle

Its my boys turn to to fuck you

There is 8 of them, and you gotta mouth to help

so they could take turns in couples 1, 2 aiiyo 1, 2

Check it, Masta Ace, Punch an Words on the same  
record

Ladies in the place all I need is a second

A small conversation, before we both naked

And if ya come back to the hotel, I wont go tell I  
promise

I like to swing my bat like Frank Thomas

And if ya let me get to third base when we alone

Theres a good change I'm gonna try to steal home

Sorry!!

(Punchline)

My games tight when I'm twistin these hoes I dont play

Fuck raw, I keep a hat on like Cool J

I take short strokes to make the sex last

Till they scream "go deep" like they throwin a long pass

You get long dick no cash, pure game

When we fuck, your face wrinkle up like a sharpay

Everyday all day, sex you love it

Are you the type of freak chick that like to fuck in public

(Hook)

[Masta Ace] Waterbeds, Hottubs -- Yeah I like that

[Wordsworth] Hot sex on the platter -- Yeah I like that

Now those are the first couple of verses the one with  
the show

Aiiyo Ace tell these women what you want them to know

(Masta Ace)

Yo, I can fuck from the moreset today, to the gladest  
night

Have a threesome, with me, my girl and a baddest dike

And not know Ellen DeGenerus, manish type

Im talking about a Jennifer Lopez spanish type

Dont be afraid of the sex capade

Black cats that get fuck, white cats that get laid

You better eat your wheaties, and just rest up

Just incase somebody call you and say "lets fuck"

(Punchline)

I take them (?) your dressed up, sober or X'ed up

Leave chicks fatigue, they gotta rest up

Its messed up, I fuck till I'm burnt out

Forget the hair salon, I'm a sweat your perm out

Im the type to book a hotel room with 5 dikes

And get pussy like everydays my prom night

Punch always rose wit a proper squad

And my hoes stop traffic like crossing guards

(Wordsworth)

You a stranger so execpt sex for fility

But I'll fuck you and help you collect this ability

18 and over bend your knees to your shoulders

And hurt your bladder, and make it hard for you to pee

when your older

On your knees folded, dont need trojans

Deep throat till my scrodum not showin and your teeths  
broken

It dont matter silcon or real breast

You aint good with filasheo

Watch HBO's real sex

(Hook)

[Masta Ace] Handcuffs tied up -- Yeah I like that

[Wordsworth] Hotel Motel -- Yeah I like that

[Punchline] Blindfold camcorder -- Yeah I like that

[Wordsworth] Between us wont tell -- Yeah I like that

[Masta Ace] Aiyyo ya like that -- You know I like that
