Sittin' on chrome, sittin' on chrome  
Sittin' on chrome, sittin' on chrome  
Sittin' on chrome, sittin' on chrome  
Sittin' on chrome, sittin' on chrome

He once was a dog from around the way  
So you better take it eazy  
And I'm sittin' on chrome  
He once was a dog from around the way  
So you better take it eazy  
And I'm sittin' on chrome

I just got paid  
It's Friday night  
I'm sittin' on chrome  
And I'm feelin' alright

Take it EZ, like E 'cuz I be  
Lettin' niggaz know what time it is when it comes to me  
You can't find us here anywhere and I tear  
You a new asshole, as beautiful as gold

Look at your reflection in my shine, find  
Pissy hallways are always on my mind  
But not tonight, I'm sittin' on chri-dome  
Makin' more waves than my cellular phi-done

Mental energy from within keeps me higher  
Than anything rolled and set on fire let me try a  
Little somethin' new, grand 'cuz what I am  
Is mathematic, I must to blow your static if I can  
I.N.C., crew I thought you knew  
That's how you do well check it this is how I do

He once was a dog from around the way  
So you better take it eazy  
And I'm sittin' on chrome  
He once was a dog from around the way  
So you better take it eazy  
And I'm sittin' on chrome

I'm sittin' on C H R O M E

Sippin' Brass Monkey, Digga got the Remi  
Martin I'm startin' to feel like I wanna  
Hit the strip spot and I think that I'm gonna

I see my nigga Jose, "Mida, que pasa?"  
We goin' to the spot, need a ride? I gotcha  
So come on in, come on in, come on in  
It's like fire when you see my chrome spin

I paid the valet, I stepped to the stage  
I think I wanna play with the girl in the cage  
Lap dance, lap dance, lap dance  
Baby look I got trouble in my pants

I just checked my wallet, no more dough  
I just paid your rent and now I gotta go  
She did me till I's done, smooth like Bally  
I walked outside, they said that they ain't got no valet  
Somebody caught me slippin', dipped with my ride  
But we gonna catch they ass on the B-Side

He once was a dog from around the way  
So you better take it eazy  
And I'm sittin' on chrome  
He once was a dog from around the way  
So you better take it eazy  
And I'm sittin' on chrome

I just got paid  
It's Friday night  
I'm sittin' on chrome  
And I'm feelin' alright

You can't I.N.C. me  
The Ace niguh, so be ghost like Amity  
Ville horror, till tomorrow, you're done  
So jet like delta, I'm fly like the nun

My mental state's, more Great than the Lakes  
I'm Superior, it's Erie how I breaks  
Niggaz down, with the sound as I shine  
One time, and the chrome is the mind

He once was a dog from around the way  
So you better take it eazy  
And I'm sittin' on chrome  
He once was a dog from around the way  
So you better take it eazy  
And I'm sittin' on chrome

Sittin' on chrome, sittin' on chrome

Sittin' on chrome, sittin' on
