"Revolution Of Mind"

something in the air tonight
I couldn't sleep right,
couldn't shut my brain down,
it was out of control.

Something mysterious
was trying to get a hold on me,
But I won't let it take me down
I'll make it to the finish line

I'm not gona run,
Not gona hide,
From this revolution of mind.
I gotta know,
What I can find,
Through this revolution of mind.

Hear the gun shot in the quiet of the night,
I saw flames from a distant fire.
If one doesn't scare me I just face it out on run,
sneak up on the enemy and it's over and done.

I'm not gona run,
Not gona hide,
From this revolution of mind.
I gotta know,
What I can find,
Through this revolution of mind.

This revolution of mind.

Everything is different,
now the fear is gone.
time is problematic,
caused before the dawn.

I'm not gona run,
Not gona hide,
From this revolution of mind.
I gotta know,
What I will find,
Through this revolution of mind.

I'm not gona run,
Not gona hide,
From this revolution of mind.
I gotta know,
What I will find,
Through this revolution of mind.

This revolution of mind.

(ahhh) Revolution of mind...
(ahhh) Revolution of mind...

This revolution of mind

(Oh)

This revolution of mind.

(O Oh)
This revolution of mind.

Of mind...
