ThatæŠ right yaæŠI
I guess I should let yaæŠI know what bein an Ice
Cream Man
Is all about since itæŠ the Ice Cream Man theme song
But what I want yaæŠI to do for me is light ya
Weed, lay back and we gon take a ride
A ride all the way through
Through the Ice Cream ManæŠ whole life.

Mo B. Dick:

IæŠ sittin in a room full of hoes with some sexy ass
bodies
Smokin on the cess, playin dominoes. AinæŠ fuckin wit
nobody
IæŠ scopin em out without a doubt. I see big booties
hangin out
My dick is gettin hard like itæŠ about to pop out of
socket.
I canæŠ believe what IæŠ seein.
I must be straight (geein)
Cause I got all these hoes in my pocket.
IæŠ just a playa from around the way.
IæŠ hustlin just to see another day.
IæŠ just a playa from around the way.
IæŠ hustlin just to see another day.
Playa haters gettin sick cause they canæŠ get with my
click
Cause we took all their bitches
But the niggas know the deal cause we packin that
steel
And dumpin mothafuckasin ditches
So hey, itæŠ another day for me to play
As I slang my yay and get paid off these smokers
You donæŠ know the deal cause this thing is real
Mothafuckas, I ainæŠ jokin, I ainæŠ jokin

Master P:

IæŠ on a porch with these killas. Must be a drug dealer
I run from the taz. Call me banana peeler
I got that HK cocked ready to block.
AinæŠ no love on my block. Got this dope in my sock

My little brother hooked it up tryin to get big
In the ghetto I seen another man lose his wig
But I ainæŠ° trippin off the dope-game
IæŠ! too deep in my hood slangin heroin and cocaine

Silkk The Shocker:

Way too deep to turn back now.
My homies tryin to jack now
Put away the sack down.Now I gots my gat now
You bitches better raise up off the tip
Of us playas tryin to strive and stay alive, Fuck the 9 to
5
IæŠ! all about the papers.Niggas tryin to chase the
Million dollar spot with a glock and a caper

Master P:

We some macks like Goldie.YaæŠ! I canæŠ° hold me
IæŠ! Oulajawon dunkin on you and your homie
Cause we in this shit deep tryin to get mine
Fuck all that.Cuz,kick the fuckin chorus line

Mo B. Dick:

IæŠ! just a playa from around the way
IæŠ! hustlin just to see another day

Master P/(Silkk The Shocker):

[I love my mill].And if I die who gives a fuck?
Just another black gone
(Nobody gives a damn if you make it back home.)
Cause my auntie on dope
My little homies out there in the hood pushin hella coke
So I try to get fronted a bumper
I mean a fifty dollar dub on a come-up

Silkk The Shocker:

Dope in my All Stars.Just got[bought] a sawed-off
Nigga wait for me to fall off but I wonæŠ° get hauled
off
In a casket.IæŠ! all about blastin
Dope be the cabbage.You know that makes us savage

Master P:

I guess that makes me a G
Cause I done flipped an half-an-ounce to a quarter key
On a come-up and bubblin up and doublin up
And all these niggas jealous cause the P sellin
quarters,bro
In the hood like Ice Cream
All yaæŠ! I niggas corner check me.I done killed em
with the triple beam
And yaæŠ! I mad cause IæŠ! rich and famous

Just like Amus, but still a gangsta
So call me a hustla
And if you a playa hater, nigga, then your name æŒI be
Mr. Busta
In No Limit, niggas donæŠ° like playa haters
We got them mothafuckin regulators
Nine millimeter fully strapped
Yo Cuz, bust motherfuckin caps

Mo B. Dick:

IæŠ! just a playa from around the way
IæŠ! hustlin just to see another day
Master P and Silkk, they gettin paid
The No Limit soldiers, hey, they donæŠ° play
From New Orleans all the way to the Bay
The Ice Cream Man you know that he donæŠ° play
He donæŠ° play. He donæŠ° play
