[Master P]  
Back to the 3rd Ward, it sho feel good  
Just left Cali, now I'm back in the hood  
Ain't been home a week, but already gettin paid black  
My homeboys fiendin for that dank, I mean that chronic  
sack  
Bags, hella bitch, but ain't a damn thing for free  
You know I'm from the Calliope so meet me on these  
ratta streets  
A round rolled tablet, these fiends actin bad  
Don't make me pop the trunk and get that tac, and tap  
that azz  
Walked through the carway, made it to the gym  
Hollered at Michael Brown, Big Willie, and Magnolia  
Slim  
See my old girlfriend, damn she hella fine  
Got three kids but ain't none of them hoes mine  
Asked her is it all good for a light night creep  
She said she on her way, whistled at me at a quarter to  
three  
Gold teeth shinin, diamonds almost blinded her  
And just like Brandy, I wanna be down with ya  
Say it's all good, jumped in the Lexus  
Mobile phone ringin, it's my cousin from Texas  
Say they bouncin hard to my shit back in 5th Ward

North side, south side and south par

Chorus (4X)

[King George]

It's that Down South lunatic, livin harder than a brick  
Breakin em down, while shakin the town, with hoes all  
on my dick

Doin what I gotta do, leavin them lawyers without a clue

Playa hatas mad cause my ride on them gold jewels

You hoes bounce that azz, you niggaz get the gat

Playaz in the front, where they at, where they at?

With a mouth full of gold, I know my shit is kickin

5th wheel caddies, tilt like yo daddy's

Bitch you pussy poppin, azz bouncin, I wanna grab it,

Chorus (2X)

[Silkk]

Going into that booth like steak (What?)

Pretend it's yo birthday like Lou

But we don't love you hoes like Snoop

But like H-Town I wanna knock some boots

(Why you so laid back?) I'm just cool like that

Game fuckin tight, nigga, a step above

A nigga fully strapped so I steps in the club

1 little, 2 little, 3 little dog bitches

4 little, 5 little, 6 little dog bitches

7 little, 8 little, 9 little dog bitches

Now which one of you hoes is comin home with me?

Pffft! Pffft! Lodi Dodi, who came to party?

I'm not Slick Rick but I'm leavin with somebody

We just some Down South niggaz who rock the mike

Don't give a fuck, cause bounce all night

Chorus (2X)

[Gangsta T]

Pull me out to the ballin, and watch em get served

Bouncin in the U-haul, gettin full of that herb

All them stuntin ass niggaz finna give it up (lay it down)

Lightin up the whole block as I stuff em in the truck

Bitches this the payback, for them weak ass ?twav?
