This is an invitation for all my thug niggaz

To come join me on a journey

To the everlasting shivelry of life

A place where there's no violence, no pain, no crime,  
no ghettos

Nothing but sunshine at the end of the road baby

So come with me

[Chorus x2]

All my thug niggaz ride to eternity

Lets ride nigga lets ride nigga

[C-Murder]

Back in the days I was afraid of the police

Just another paranoid drug dealer on the streets

My ghetto hero was above the law

I caught a glimpse of a bullet

That took him down like a southpaw

Uneducated to the game of life

I was headed to the grave but the pen kept my mind  
right

A young mothafucka doomed since day one

Shit I'm a fool I'm a ball til my time come

A G to me is like a meal on the streets

I'm a kill just to eat and leave my enemies on the  
concrete

They say a soft heart make a bitch nigga stay alert

Stay alive that's the code of a thug nigga

Don't wanna rob and steal but crime pays the bills

Niggaz know I'm real so my pain is what they feel

I'm a rider TRU niggaz gone feel me

C-Murder ain't gone die til a bitch nigga kill me

[Chorus x2]

[Master P]

How many niggas wanna ride with me

When I'm gone don't no mothafuckers cry for me

I want the nigga that did it to die with me

And his mama and his brother take a ride with me

Cause I'm a killer Kill a nigga balling

Balling on the 3rd ward Calliope New Orleans

Nigga like a devil with the mothafucking red prints

Bite me like a monkey on top of a elephant

The game got me crazy got me seeing daisies

Its cowboys and indians when a nigga try to play me  
God won't you save me, nigga only a baby  
Only time can take me, mama why you mad
