If she ain't a gangsta bitch
Then I don't want her, don't want her
And if she ain't a gangsta bitch
Then I don't need her
You can keep her

If she ain't a gangsta bitch
Then I don't want her, don't want her
And if she ain't a gangsta bitch
Then I don't need her
You can keep her

I need a bitch to hold my stash, a bitch to give me
some ass
And when I'm on the run I need a hoe to send me some
cash
I'm a ball 'til I fall and that's the first right
I need a bitch to watch my house while I live the street
life

And I know it sound crazy
I want a gangsta bitch to have my baby
And pack a 380
And ride calm by the po-pos with dope in the Mercedes
And known to be a lady
And massage me with Hennessy and weed when she
bathe me

If she ain't a gangsta bitch
Then I don't want her, don't want her
And if she ain't a gangsta bitch
Then I don't need her
You can keep her

If she ain't a gangsta bitch
Then I don't want her, don't want her
And if she ain't a gangsta bitch
Then I don't need her
You can keep her

She gotta be a gangsta bitch, 'bout that gangsta shit
I'm living this gangsta life doing this mob-style shit

I smash like Clyde but need that Bonnie on the side
To hold my straps and busts caps at niggas naps
We can sip Hen be homies and best friends
Smash off X-O get his and hers M-10's

Collect my cash, conduct yourself with class
Get respect from my soldiers everytime you pass
When I can't be seen you can inform my team
Call that shot to keep the block on pop
And chop more chickens than KFC
Lay down organize crime be my D O G

If she ain't a gangsta bitch
Then I don't want her, don't want her
And if she ain't a gangsta bitch
Then I don't need her
You can keep her

If she ain't a gangsta bitch
Then I don't want her, don't want her
And if she ain't a gangsta bitch
Then I don't need her
You can keep her

I need a gangsta bitch, I need a gangsta gimp
I need a top notch shorty to hold my clip
Baby, don't be afraid to fall in love with a thug
All you get from this lesson, baby girl is true love
She was dapping me, coronel, on my jump when I was
locked down
My black queen's sendin' me Lex to the carpound

She see me now, she closer than my bitch
She my boo 'cause she down to do some gangsta shit
And if a bitch trip
She down to boot her for free
My little mama go to work everyday
I run the streets she's a G bitch

If she ain't a gangsta bitch
Then I don't want her, don't want her
And if she ain't a gangsta bitch
Then I don't need her
You can keep her

If she ain't a gangsta bitch
Then I don't want her, don't want her
And if she ain't a gangsta bitch
Then I don't need her
You can keep her
