Chorus(there'sa Esclovan)
When I see you I
Like it right up and I
Feel all good and I
Want you for no lies
The way you walk, the style of clothes you wear
You lick your lips and I can't help to stare
I think of you and I
Want you for no lies

(Master P)KIMARA17
I want a wifey shorty but let's get one thing straight
I can get you a Benz or a house by the lake
You want one with cameras, you want one with a gate
We could live like Tony Montana, girl We'd be straight
But you got to tell your moms to stop bugging
Them dudes out there you rollin with that's my boys
And my cusin
I'd rather be caught with it, then without it
I ain't gonna lie, I've been to jail boo
I'm 'bout it 'bout it
I ain't tryin to hide who I am
Shorty I'm a thugKIMARA17
But I love the kids and I love the bud
My wardrobe is all t-shirts and jeans
I ain't hard to find babe I'm on the corner with the team
If you need me, girl I'm comin' runnin'
And if you beef, me and the boyz is comin' gunnin'
I'ma tell you somethin' girl it ain't about the money
We gonna thug it 'till the end
And I'm glad that u my ghetto honey

Chorus

(MasterP)TAYLOR17
You like minks and ice I can buy you that
You caught a bus to the crib, you could take the six
back
Slow down shorty don't be in a rush
Ain't nothing better then you and I
I mean us
We was made for each other

Looked like sister and brother
Started out as friends, turned into lovers
I need your full attention
I'm feelin your style
I don't talk too much but my homies buckwild
Tattoos and gold teeth you know i'm thuggin
I'm straight from the hood but that just means good
lovin'
Don't judge a book by it's cover
I got big dreams i take mamma up out the hood
And put you on the team
We can thug together shorty
Grow together shorty
You could sleep over and get noticed shorty
From the first time I met you, I was feelin' you
And it don't feel the same when I ain't with you

Chorus x2
