[Verse-1]

As they shackled and chained me for a murder case
Out the hood on my way to CYA
And from CYA to the Pembroke
If they find the murder weapon I get 10 more
But just like a g I remained calm
No witnesses a few more weeks I'll be going home
But as the fucking police car drove off g
I started thinking about my motherfucking family
About the dope game must of been the wrong move
I still here my pops saying nigga stay in school
But once you shackled and chained ain't no turning
back
You get in front of the judge nigga you can tell your
facts
I fell asleep in the back of the cop car
Woke up ?? bout a mothafucking phone call
And as they booked me I had a mouthful of crack
And when I shit tonight bitch I'm gone get it back
I must be daydreaming I'm thinking about my bitch
Til this motherfucker woke me up and cough quick
And as they checked me butt naked and balls dangling
With 50 other motherfuckers in the shower saying

Yo man check this out
You gotta sleep with one eye open and one eye closed
fool
This your first time in jail nigga gone need some
friends
By the way youngster what's your name

[Verse-2]

You can call me killer on the streets its the dopeman
And like Scarface you gotta let your nuts hang
I put my glock up to a fool don't move g
See in 94 suckers catching lugies
But ain't nobody tripping on the black man
You either learn to dope deal or you gang bang
See in the ghetto a life don't mean shit

And most blacks they don't know about politics
And once you marked for death than your ass is
smoked
Cause niggas dying young in the ghetto
Gang banging that can get you 40 to life
So choose your casket red, blue or wh
