(Young Bleed)

Nigga say who that, heard they want do that

Run up if you will get yo ass whipped blue black

Jelly jammin' preserve, nothin' but mossin' my word

And a mossberg pistol grip pump on my lap at all times

What eva' my nigga cuz young niggas still dyin'

Hollin' bout huh, nigga what, huh, giv a fuck nigga what

Full of that weed, lick it like a popsicle, A slanted and a janted

Have a nigga named Young Bleed party on, in the jungle,

Where the murder million mumble for months and dayz

Trippin' off these blunts we blaze, Hellin' for high

And tellin' em' why, I'm a neva say die, see it my eyes

And niggas say I fly like a eagle, see no evil

And ain't no sequel to this here, this year I'm bailin' in tha doe

Super natural, wit ends, ya'll niggas don't here me though

But see how they runnin' everythang on tha cool

But they know I'm fittin' to act a fool in this muthafucka

Chorus

It's gon' get, in tha industry, I be, bringin' tha action,  
In this musical fashion, if you don't know fool you betta

Cuz foolz that wanna get wit I get wit em'  
When I put my glovez on, I'm bout to get gone, so long  
Please mama may I, go out and be a playa, sippin' on
