There is only one day in the world
That's worse to talk about

I am on my .. you are fucking shadow
It's a .. day more money more power
What up pops I do this for you
I am tired nigger I am working for two
I am working for .. I am working for them
It's a rainy day for them to get ,here
Lust between the tears can't see this shit on table
When I scream no limit this boy in a label
That's my family for my they fucking kill you
You are one in the million you remind me of Aliah
It's no hard to see yes sweet murder
I ain't doing time if youa re doing murder
I am the same as real
Bouncing up and down let me see if it's real
,
Been in this game been your favorite rapper
When life is a bitch just slap her
Been breaking records ..
I am going where .. I go off with this hit

I am gonna start this shit
I go off with this hit
I am gonna keep it real
I am gonna keep it real
I am gonna keep it real
I am gonna keep it real

I made it through the rain I made it through the murder
You see this .. you botches keep talking
You bring it out of me I am beat I am a master
When I am talking killer
When I am talking murder.. you know I love my brother
My family is all I got .. call me .. I am still on
Mother fucker I am on no limit we are on
Real nigger sty strong you fake nigger go home
I am going where .. I go off with this hit
I am gonna start this shit
I go off with this hit

I am gonna keep it real
I am gonna keep it real
I am gonna keep it real
I am gonna keep it real
