But it's like this here.

[Ann:] What?

[Master P:] How come, every nigga you fool wit & shit, nigga get shot & killed, what's up with that?

[Ann:] Man nigga that shit ain't true.

[Master P:] Shit, well, what about Mike, what happened to him?

[Ann:] Oh, that nigga? Um, they found that muthafucker in a ditch somewhere.

[Master P:] Shit, what about, that; that other nigga Joe you used to fool with, what happened to him?

[Ann:] Man, Joe was trippin' man, you know he owed some nigga some money & you know, if you don't pay up you just get got.

[Master P:] Uh, well what about yo' babydaddy, what he did?

[Ann:] That muthafucker was tryin' to sell dope & smoke it at the same fuckin' time.

Ignorant ass muthafucker, I'm glad he gone.

[Master P:] So you don't think that yo' pussy be like yankin' niggas? You know what I'm sayin'?

You got that Killer Pussy, Killer Pussy, Killer Pussy. [2x]

She got that Killer Pussy, Killer Pussy, Killer Pussy. [3x]

I'm not dog pound but yo' pussy be the bomb.

But why every nigga that you fuck-up liked up dying?

Like my boy Roy but y'all niggas don't feel it

Y'all don't think bitches fuckin' pussy, can kill trick

Better watch these hoes, talkin' 'about these niggas

But y'all don't know that these pussy's got triggers

Gettin' niggas killed in my hood like bitches!

Fuckin' with these ghetto one eight hundred hoe

bitches!

[laugh] See y'all niggas don't understand

Y'all too busy watchin' Ricki Lake & Montel Williams

Trippin' on like, bitches killin' niggas behind AIDS.  
But see that big monkey between they legs?  
Get niggas trapped like muthafuckin' rats.  
Tryin' to get cheese. You heard me?

You out the front door, that nigga out the back  
That's how my partner got killed behind some cat  
I ain't got no love for y'all hoes 'cause y'all tramps  
& bitches act bad when they go to fuckin' snap  
But bitches y'all can suck a nigga dick & get real  
Or better twirk something or buckle up & guard yo' grill  
'Cause I'm layin' you hoes on the floor like niggas  
Bitches want that dick hoe y'all can feel that triggga  
17 rounds from that muthafuckin' pistol  
& watch a nigga make a bitch fuckin' head whistle  
Hoes 'about that ass, niggas y'all feel me  
But pussy to good to be fuckin' real G  
I'm from that 3rd ward, niggas started bangin'  
Bitches runnin' up, in cars 'cause we hangin'  
Ask a nigga to break 'em off to get her hair done  
But I ain't givin' a bitch nothin' but some come  
& hit & run, in the projects ballin' wit my muthafuckin'  
homies  
& all y'all bitches with that Killer Pussy, don't run up  
on me.

She got that Killer Pussy, Killer Pussy, Killer Pussy. [2x]  
You got that Killer Pussy, Killer Pussy, Killer Pussy. [2x]

Fool I ain't Spud, but these hoes be creepin'  
Late at night when a young ballers sleepin'  
Bitches try to run into the safe & get my money  
But I'll lay a bitch on the floor it ain't funny  
Like that bitch Brenda, got my boy killed  
Like that hoe Shell, yeah she tried to do O'Neal  
& what about Ep-Do, she can't phase me  
Talkin' that shit about she might have my baby  
Bitch it ain't mine, I only fucked her once  
I had 2 rubbers so bitch you done & what about Wendy  
& that hoe Susy  
Say her pussy be killin' niggas think she pack a OOZY  
But I ain't even trippin' all y'all hoes  
I watchin' my back, I ain't killed behind no  
muthafuckin' cat  
This goes to you hoes from the south to the West coast  
Even got pussy killin' niggas on the East coast  
& all y'all bitches that are 'about it won't y'all shout it  
But bitch killin' me behind some pussy, nigga I doubt it.

She got that Killer Pussy, Killer Pussy, Killer Pussy. [2x]  
You got that Killer Pussy, Killer Pussy, Killer Pussy. [2x]
