[king george]

Its the k the l the n to the g
Everybody in richtown should know me
You know the motherfukcing pyscho
Better yet the nigga whos the cuttrought
Cops try to cage me, niggaz try to fade me,
Hunt hoe motherfucker really don't fade me
You know the deal I'm really really crazy everyday
I wear a damn daisyways
In the project labled as reject,
Cops rolled trough to break a niggaz neck
See shit like that just make me mad,
Bitches wanna see me in the big black bag
Cause a nigga like me got big big balls,
When I roll through your schoolyou better clear the
halls,
Cause I'm down for the jack play, better yet the crack
pay
Im looking for your boy, he's holding me my back pay,
I walk across a line cause my life isn't sturdy,
In other words nigga I'm low down and dirty

[chillee powdah]

Creep out the window, get in the undercover pinto
My homies smoking endo dank but just think
Some nigga bout to come up short and get danked
The neighborhood hoodlum, jacked your jewels and
then shanked
The difficult problem giving delivering a meat wagon
Shake em and gank em and bake em serve em like ass
taggin
Pussy now wish you continue sucking I get em bitch
And I'm bout to get a nuts so shut the fuck up and suck
this shit
Continue to mingle it's nothing, nothing but nothing it's
coming
Sucking and sucking don't give a fuck cause the nuts
running
Slibing and slibing and blowjobing like robyn, the ripper
ripping
And slipping tongue tiping a zipping,my zipper slapin
and jabbing

Come nabbing and having a cross straight up I didnt
have to wait up
And I licked my balls, master p my nigga squeeze the
trigger on the po po's
Switch, I slam my ass in the ditch with the garbage and
shit
Im untouchable nigga you cant hurt me, I'm chillee
powdah
And I'm low down and dirty

[master p]

My life as a criminal, starting as a u
Cops said take out the trash I said fuck you
Then I'm gone gone and gone and ever since then,
never even been home
Took to the streets like a car in the fast lane, robbed
the dope house
Stole a ki of cocain, 36 ounces backed it up and on the
run
Moved to the rich got eight for everyone
Living the life like a nigga that don't care, cops so petty
ass
Jobers with welfare, I'm send money to moms each and
every day
Now who the fuck said crime don't pay, I'm rolling hard
with the top down
Daytons on the benz, a sucker run up, he get shot down
I lost my brother in the mix of a battle, murder in my
eyes
So watch my get rattle, kill a motherfucker quick and
say fuck the cops
Explicit lyrics cause I cant be stopped
