[Master P]

My potna gave me \$50, put me in the game,
I been slangin weed then I moved up to cane
Pushin dem bouldas, slangin dem quarters,
I got em 2 for 3, god dammit, I'm a balla!
Pushin in weight, from state to state,
Niggaz ridin dirty, on my mobile phone, it's U.G.K.
Pimp C said, "P, what's really goin on?"
I said what's really happenin, he said, "I gotta pocket
full of stones!"
Now P be dat new kid on the block
36 O-Z's choppin up rocks in my rock shop
And label me a drug deala, just anotha hard nigga,
Rest in peace to 2Pac, and the rest of ya'll thug niggas.
Playaz hookin up, tryin to make work,
Sendin work from FedEx to UPS trucks
Now P livin lavish, caviar and cabbage
peppers and beans, and grits and cabbage
Down South hustlin, ballin, slangin
Niggaz teamin up, some niggaz gangbangin
Used to drink 40s, now it's mowhet
Used to roll cutlass, now it's benzes and vets
?Becketts? on my fingaz, Rolex watches,
Hoes on the block, bounce that azz, I mean pussy
poppin
Label me an alien, just like Outkast
Cause I made my money from the ghetto and I did it
fast
Cause I'm bout it, ya'll know I'm rowdy,
Ask Big Mo and John Henry if ya'll doubt it
Hooked up with 8-ball and MJG
Cause we tryin to get a meal ticket from these streets

[Chorus:] Tryin to get a meal ticket [8X]

[8-ball]

8-ball and MJG, southside representin, a nigga came to
mention,
These hoes can't touch my pimpin

Mobbin through the swamp, P and me and G and U.G.K.
?Hustlin? as a muthafucka, fuck what these hoes say!

[MJG]

Cause we each be lookin for meal tickets, witches,
drivin me crazy
Lady, can I claim yo baby, honey call me the ?shady?,
maybe
Construct the thinkin, we're turnin' to duckies bankin'
No laws somebody save me a slice of meat up in my
grave

[8-ball]

Captain Save Em, pay em, before you get to lay em
Got a real nigga's job, so damn hard tryin to play em
Weigh em, no weigh me, cause that's what they gon
pay me
Pimpin ain't dead baby, just ask MJG

[MJG]

Who be I? MJG, he be me!
But if I was he, and you was I, who would you see?
One of us ??? when ya hungry, I do it only
Pertainin bustas, fakes, and phonies,
About that money, where my ticket?

[Chorus (8X)]

[Pimp C]

Cocaine lady, white lady sellin good
I'm leanin' on the leather, and I'm grippin on the wood.
I'm feelin on the ??? ballin in the ?slant back?
I'm Pimp C, bitch and Tree, us niggaz roll Cadillac
Bad ass bitches can't leave my dick alone,
I done bout me a key and changed my name to James
Jones
Pimpin ain't dead, ya heard what I said,
How the fuck is pimpin dead when bitches still givin me
head?
Lickin my ass if ??? be the deala

[??? (other dude from U.G.K.)]

Suck the nut up out a ??? bucket slow down suave
nigga,
Now bitch I be the prison pushin' everything, a 4 for 4
doors, king of the

quarters
Fuckin with nothin but queens and they daughters
Get cleansed, weeded, and watered, I flow like a
Asian, Malaysian
Saudi Arabian, African I be blazin'
In the Golden Gate, swish it out, holdin weight, I hits
the block, I'm
rollin bait, Them fiends come out, they know they got to
?stole the case?
I motivate, fiends, dealas, ballas, hatas, shops and
boppas,
Jekll and Hyde, Bonnie and Clyde, and niggaz that ride
with glocks and choppas Where we out? [Chorus and
fade]
