Hit the blocks dressed in white with some baggy
girbaud's
A pocket full of stones, 3 G's and tryin' to lose these
hoes
And the task coming sick 'cause it's the first of the
month
Fiends on my pager like I'm tryin' to take these fools to
lunch

Going crazy in the getto, try to kill me
My little homies lost life, y'all fools feel me
I pack a D 'cause I'm paranoid at night time
Brother be pullin' jack, I'm in the hood bustin' gangsta
rhyme

And still gotta watch my back in the hood G
Like Spice-1 said, "Those fools living like movie"
Little kids get 'bout it, I mean my hood is rowdy
I'm try to make a dollar, 50 cent before I'm up and out it

Before you jump in the game, let's get one thing
understood
If you sellin' that ice cream ya has to make sure it's
good

Duckin' the task and try to hide from the rollers

And hangin' with TRU soldiers, my TRU click we true to

In the hood I got ice cream cones and if you fiends
Want a lick, nothing for free that gonna cost you 20

You can come and check my grip

But I'm on that triple gold 9 thiller Lexus
