Nobody moves, nobody get hurt  
Don't make me put yo' face on a T-shirt with some dirt  
Nobody moves, nobody get hurt  
Don't make me put yo' face on a T-shirt with some dirt

Nobody moves, nobody get hurt  
Don't make me put yo' face on a T-shirt with some dirt  
Nobody moves, nobody get hurt  
Don't make me put yo' face on a T-shirt with some dirt

I retired from the game 'til you niggaz got me fucked  
up  
I'm back for 2000 to get y'all bitches and y'all niggaz  
bucked up  
The media started hatin' 'cause I made my money on  
the corner  
I'm like the Energizer Bunny on some weed and Corona

Now y'all don't wanna fuck wit me  
I got some killers that'll bust wit me  
And I represent that CP3  
'Til I'm motherfuckin' six feet deep

Nigga I'ma ball 'til I fall, no fakin' it's all real  
How many niggaz can roll through the project that  
made \$56 mill?  
We all tatted, all gatted, we hustlers, y'all addicts  
Now who the fuck want static? I got the automatics

Nobody moves, nobody get hurt  
Don't make me put yo' face on a T-shirt with some dirt  
Nobody moves, nobody get hurt  
Don't make me put yo' face on a T-shirt with some dirt

Motherfucker, we back  
To all the hater niggaz thought No Limit was fallin' off  
I'm here to set the record straight  
Motherfucker, I'm goin' off

On all you bitches speakin' behind the microphone  
One more word and I'ma follow you home  
Empty my chrome, up in your dome

It's the Y2K, motherfucker we came to crush bones

Eternal sleep to all you niggaz talkin' beef  
I cut you up and eat you I'm a wild fuckin' beast  
I'm like a fuckin' bomb and P's the designator  
Go 'head and push the button, let me get rid of all the  
haters

Nann nigga here can fade us, so bow motherfucker  
Bow to the fuckin' greatest

Nobody moves, nobody get hurt  
Don't make me put yo' face on a T-shirt with some dirt  
Nobody moves, nobody get hurt  
Don't make me put yo' face on a T-shirt with some dirt

We put the choppers up, my nigga done put the legs  
down  
Niggaz think we playin' at first, but shit done got  
serious now  
We make nightmares come true, when we come  
through  
Nigga, you don't wanna fuck with us

That there they see what a nigga did done you, run  
who  
And I don't believe in that ten years down the line shit  
Revenge so when you come through, bury your lil' son  
too  
Shit is real now

We walk away, fuck nah I was taught to spray  
If the drama too big for what I got on my hip  
P and Magic brought the K, niggaz done fucked up the  
game  
That's why they got stuck for they chain, niggaz ain't  
real killers

Niggaz [Incomprehensible] looked up in vain  
See I ain't no killer, but if come down to it I'll bust yo'  
brains in  
I don't give a fuck who around me  
Never touch my No Limit chain again, bitch

Nobody moves, nobody get hurt  
Don't make me put yo' face on a T-shirt with some dirt  
Nobody moves, nobody get hurt  
Don't make me put yo' face on a T-shirt with some dirt

Nobody moves, nobody get hurt  
Don't make me put yo' face on a T-shirt with some dirt

Nobody moves, nobody get hurt  
Don't make me put yo' face on a T-shirt with some dirt
