This is a ghetto public announcement (weed smokers)

Roll your blunts tight

And light your joints

Inhale... slowly exhale

And that's how you get high.

(Clip from Friday)

I know you don't smoke weed... I know this

But I'm gonna get you high today.

Cause it's Friday, you aint got no job, and you aint got
shit to do.

Pass me da green, I need some weed with my
hennessy (repeat 8 times)

(Inhale... exhale) Eyes selling red, got my dank from
the Bahamas

Went to see my girl smoke some green with her mama.

Jumped in my Cutlass on the way to the liquor store.

Picked up some blunts, got ten on the 2-0.

Mix these palm trees wit some green leaves

Naw nigga's he aighn't spinning like the seven seas.

Puff, puff, pass, nigga that's what Simon say

Fools hog the weed or the green gonna get carried
away.

Fingernails burnt, lookin like a tweeker

Ears steady poppin, but not from the speakers

Green got me hungry, feindin' for them munchies

Cause real smokers don't blow no fuckin green on
empty stomachs(Ya Heard Me)

Pass me da green, I need some weed with my
hennessy (repeat 4 times).

Green trees pack wood, make cabbage

I like to get high but it aint a bad habit.

Nigga with that weed smoke comin out my lac

Got a hootie in the front and one in the back

Blowin shotguns, me and my homie

I feel like this weed make a young nigga horny

I stopped the fuckin lac at Holiday Inn

I ain't even trippin, and told the girls to come in

Laid her down steady cause you know I'm ready

Choppin up weed like muthafuckin spaghetti

Hoe's down south must know voodoo

Cause every time I hit the weed I'm lookin for Zu Zue's

Pass me da green, I need some weed with my
hennessy (repeat 5 times)
Yall high yet?
Pass me da green, I need some weed with my
hennessy(repeat 3 times)
Damn nigga yall chokin, get the fuck out of here nigga.
Pass me da green I need some weed with my hennessy
Nigga I said are yall high yet?
Pass me da green I need some weed with my
hennessy(repeat 3 times)
Oh, you think you trippin now huh?
You think u hearing verse's nigga
If U is then U high
But if u ain't tsss...
