We done seen so many murders,  
And lost friends  
Tryina get that brand new car, just to win  
We done seen so many murders,  
And lost friends  
Tryina get that brand new car, just to win  
[Hook]  
Say you wanna take a ride, get in  
I grew up on that other side, get it in  
These niggas â€¦ and snatch your beans  
I heard it's steady going down, off in the â€¦  
We done seen so many murders, homicide  
And lost friends  
Go tell em it's a homicide  
Tryina get that brand new car, just to win  
Go tell em it's a homicide  
We done seen so many murders,  
And lost friends  
Tryina get that brand new car, just to win  
Dressed in all black, body on the grass  
Nigga see his mama cry, damn it's all bad  
Shouldn't throw stones, if your house is all glass  
Me and my young niggas ride, we gonn blast  
Choppas out the window boy, move fast  
I don't give a fuck boy, you won't last  
I done seen my nigga ass, in the grass  
So I don't a fuck boy, that your ass  
187 murda, he wrote, 187 well you hold  
I don't give a fuck boy and you know  
Cause out here on these streets nigga  
Anything goes!  
[Hook]  
Say you wanna take a ride, get in  
I grew up on that other side, get it in  
These niggas â€¦ and snatch your beans  
I heard it's steady going down, off in the â€¦  
We done seen so many murders, homicide  
And lost friends  
Go tell em it's a homicide  
Tryina get that brand new car, just to win  
Go tell em it's a homicide

We done seen so many murders,  
And lost friends  
Tryina get that brand new car, just to win  
Ain't no love for these pussy niggas  
Homicide, doa, know we comin to get you  
They gonn do what I say, when I point they gonn spray  
I got shooters 15 and 13 that aim at your face  
Home invasion in double, murder high as kalif  
I'm screaming warcry, war pay alley boy is a chief  
Don't take with master p, a whole mill sign release  
It's a homicide, my runs killin on first street  
It's taco and on it, fp on that trail  
Residue on that scale, ghetto dope and resale  
Me and eastwood, 2 twin choppas we sleep good  
Cut don't mean â€¦ homicide

[Hook]

Say you wanna take a ride, get in  
I grew up on that other side, get it in  
These niggas â€¦ and snatch your beans  
I heard it's steady going down, off in the â€¦  
We done seen so many murders, homicide  
And lost friends  
Go tell em it's a homicide  
Tryina get that brand new car, just to win  
Go tell em it's a homicide  
We done seen so many murders,  
And lost friends  
Tryina get that brand new car, just to win  
It's a homicide, let them lamas ride  
Aiming for his eyes, till it's stize til his mama cry  
Ain't nobody outside, I got em traumatized  
Heading for ashwood, zone 6 side  
I do it everytime kill em with every line  
Call me on my land line, you fucking with fed time  
And I don't know them niggas, I wasn't fuckin with em  
I heard you was bustin with em  
I don't even trust a nigga, that's on my mother nigga  
I gets it in, I'm fuckin niggas bitches  
Plus I fuck them bitches friends  
All black benz and my pockets like 10  
In my rocket 30 shots, so you know my glock wins  
[Hook]

Say you wanna take a ride, get in  
I grew up on that other side, get it in  
These niggas â€¦ and snatch your beans  
I heard it's steady going down, off in the â€¦  
We done seen so many murders, homicide  
And lost friends  
Go tell em it's a homicide  
Tryina get that brand new car, just to win  
Go tell em it's a homicide

We done seen so many murders,  
And lost friends  
Tryina get that brand new car, just to win.
