These streets keep me rollin'
I won't stop 'cause these presidents I'm holdin'
I said, these streets keep me rollin'
I won't stop 'cause these presidents I'm holdin'

I said, these streets keep me rollin'
I won't stop 'cause these presidents I'm holdin'
I said, these streets keep me rollin'
I won't stop 'cause these presidents I'm holdin'

You see I'm a killer by heart
A G by nature
You see these ho's love you
And these niggaz hate you

When you young and ballin'
I mean broke and fallin'
I said sleeping and crawlin'
That's when the Devil be callin'

They want to take all your change
T-shirts and khakis
These ho's love me
Or send some niggaz to jack me

The game done change
It's not the same
Da Last Don be my name
'Cause I'm tru to da game

I mean a bird in the bush
Can't touch one in the hand
Out in the streets be lying in a can

I done change and they watch me
The feds can't stop me
It'll take millions to box me
But the ghetto you got me

I said, these streets keep me rollin'
I won't stop 'cause these presidents I'm holdin'
I said, these streets keep me rollin'

I won't stop 'cause these presidents I'm holdin'

I said, these streets keep me rollin'
I won't stop 'cause these presidents I'm holdin'
I said, these streets keep me rollin'
I won't stop 'cause these presidents I'm holdin'

What's the purpose of being the baddest
When some haters kill for your status
For a taste of lavish
Or follow you home for the cabbage

But look here we savages
Survivors and soldiers
Fuck with one of us we get in ya veins like embolia
On his casket lies a magnolia, flower for peace

Son lying in the faces of his nephew and niece
I'm the beast
You know me fiend, the glock carrier
Fuck with anything of mind I'll have ya pops bury ya
Guns with the sound barrier

Livin' for no tomorrow
Show me the dirty cargo
And fuck your family morrows
Boy souls I'm quick to borrow

Gettin' sisters and brothers to
I got something to kill you
And a thought of another you
Just another number to

The murder rate in my city
One week all kids born with no pity
Shitty ain't it, how it's painted
Realness thru my eyes
Just shit we deal with livin' these tru lies

These streets keep us rollin'
We won't stop 'cause these presidents we holdin'
I said, these streets keep me rollin'
I won't stop 'cause these presidents I'm holdin'

I said, these streets keep me rollin'
I won't stop 'cause these presidents I'm holdin'
I said, these streets keep me rollin'
I won't stop 'cause these presidents I'm holdin'

I said, these streets keep me rollin'
I won't stop 'cause these presidents I'm holdin'

I said, these streets keep us rollin'
No, let me, won't stop 'cause these presidents we
holdin'
