*[Chorus: kids]*

He got the whole hood, in his hand  
He got the whole hood, in his hand  
He got the whole hood, in his hand  
He got the whole, hood, in, his, hand

*[Master P]*

I got them thugs in the south, in my hand  
I got them thugs in the east, in my hand  
I got the north and the west, in my hand  
Ghetto Bill got them in his hand

*[Verse One]*

Iâ€™m a fool shorty, so watch me float  
Iâ€™m so gutta so gangsta and I got dough  
Iâ€™m in the Guinness book of records  
I can never go broke  
Iâ€™m the first kid out the project to get a TV-show man  
Iâ€™m on the block clack and skrilla  
I donâ€™t wear boxers at night, I wear p-millers  
And my shoes I lay some up when Iâ€™m going or walk  
Iâ€™m the first one to put spinning wheels on a luxury  
car, man  
Iâ€™m ghetto fab, check out my gold grill  
My Teeth had twisted, they call me Ghetto Bill  
Iâ€™m a no limit soldier but I love the kids  
Send money to the pence, they doing it big  
Even though I free ballinâ€™, I donâ€™t made it big  
Iâ€™m still stuck through the hood trying to save these  
kids  
And I do whatever just to save these kids  
I got the whole hood in my hand

*[Chorus: kids]*

He got the whole hood, in his hand  
He got the whole hood, in his hand  
He got the whole hood, in his hand  
He got the whole, hood, in, his, hand

*[Master P]*

I got them thugs in the south, in my hand

I got them thugs in the east, in my hand  
I got the north and the west, in my hand  
Ghetto Bill got them in his hand

*[Verse Two]*

Be all u can be, be the greatest like Mohammed Ali  
Make them love you when they hate to see  
It's a trip when u fall in your dreams  
You like donuts and milk, you could buy crispy cream  
You could be educated and still be a thug  
You can say no to drugs and still have fun in the club  
You can be a movie star eternity to the governor  
And rap like Romeo and still listen to your mother  
It aint nothing wrong making it out of the hood  
But never forget were you came from shorty it's all  
good  
I'd like to thank BET for believing in me  
Steven Hill, Ms. (?) my boy Kelly G  
I've had in bitted myself and I'm back on top  
I guess, there's one for the boys on the block  
See I'm a no limit soldier like Chucky Ace  
Its mister makes them say "Uhh" got it on the craig

*[Chorus: kids]*

He got the whole hood, in his hand  
He got the whole hood, in his hand  
He got the whole hood, in his hand  
He got the whole, hood, in, his, hand

*[Master P]*

I got them thugs in the south, in my hand  
I got them thugs in the east, in my hand  
I got the north and the west, in my hand  
Ghetto Bill got them in his hand
