(Chorus)

Prince charming  
Prince charming  
Ridicule is nothing to be scared of  
Don't you ever, don't you ever  
Stop being dandy  
Showing me you're handsome

Lets go  
Oh! it's your boi!  
Master shortie  
Uk? yeah, I'm ok

Back in the day I used to be  
Scared of my own personality  
But I left that back in the day  
Just like my own childish mentality  
I'm so fly, my left wing is conservative  
Now all of a sudden  
Is it cool to be alternative?  
Rope chain swinging swinging  
The gimmick is done  
I was rockin retro when  
You were putting them pradas on  
Now you don't want your jeans sagging  
You used to always be slagging  
Jumpin' on my bandwagon

(Chorus)

Yo, ha! my persona is charming  
My whole style is alarming  
I used to hide it back in the day  
Like osama bin laden  
I'm royalty so keep your distance  
I don't need no trouble  
I'm flying private jets  
So need to enter the tunnel

You wanna overthrow me...  
I'm already on the throne  
Now they wanna know me

Now my swaggers on the road  
And when I look at those  
Fake friends and foes  
I'm like you're a hater!

(Chorus)

I really wanna let go  
So that they let go  
We got the sound on fire  
In the electro  
Rope chain why-o why-o

Prince charming  
Is nothing to be scared of  
I'm sweet the rapper can't be  
Teared off  
I'm doing my thing  
With four finger nails  
I think of myself instead of  
Being the norm and  
Need to conform  
Bring in the horns  
So we can perform  
The track that we spit  
They came from the lips  
What is that smell? (I am the shit)  
I'm never gonna change  
Change like a chameleon  
I'm taking it back  
Back like a palestinian  
Stereotypical brapp men  
They walk with a limp and a mac 10  
The chip on their shoulder  
Ain't fattening  
But they still from the ends  
So I back them  
Coz I'm the...

(Chorus)
