(Chorus)

If you aint got no swagger girl  
Then you can't get with me  
From you're old school pumps  
And skinny jeans I know you look good next to me  
If you aint got no swagger boy  
Then please don't look to me  
You could be a swagger jacker any day  
But I'm a rolling differently

Ohhh-ho, uk? I'm ok

(Chorus)

They love my attire, they love the way that I dress  
Old school pumps and rope against chest  
Less is more and more is less yes  
Unless you're fresh to death like kesh  
You could be the melody, I'll be the composer  
I play you like b is to hova  
Yeah, you could call me the joker  
My comical by-pass adds to my persona

(Chorus)

[ master shortie lyrics are found on ]  
Narrow-minded people nah  
They don't effect us  
We walk on past and put on protectors  
You and me today we going on so reckless  
I bought you a rope chain instead of a necklace  
Chicks look at me and brothers look at you  
We're so fly my vision is birds eye view  
You aint got swag and I hate this joint  
If you got no edge then  
Tell me what's your point?

(Chorus)

I hope that you've enjoyed the evening  
Back to mine so we can do the freaking  
Think my styles done, enough of the speaking

Rub you hands through my mohican  
And I suppose that's your game  
But to be honest it's not the way  
I like your style, well I like your chain  
Yo it's a rope! it's all the same...

(Chorus)
