Verse 1:

Yea... Yea... Well Baby.
My Moon, my sunshine in the sky.
The music in my song,
And the words in my rhymes.
I hope your doing fine,
While I'm struggling in this life.
But trust me Babygirl,
That I ain't sayin no lies.
You ar my one and only,
And the lady of my dreams.
You miss me like I miss you,
But it's just the way it is.
Your tears and your kisses,
That I can't forget.
The way you looked into my eyes,
The first time we met.
Honey, Lo'u Baby... O oe ua kasi!
O lo'u gaugau aku l au foliga, e matalasi.
Aso uma, ele ma fai a lo'u kai.
Mafaufau aku, baby l lau alofa sau kolasi.
Kau le lelei se moe, le mafai fo'l se ai.
Fai mai se leo manu, po le a ea le po gai.

Verse 2:

So tell me hows it gon be, teine.
Cos lately iv bin thinking,
For reals iv never bin in a relationship.
They got me twisted, my soul uplifted,
More lyk love at first sight.
That's my... ? u gave up,
When I lost my two eyes on ya.
Hopin you was gon be the one,
To fufil my every dream.
There's lust in me,
Yeah teine I'm feelin that strong, chemistry.
Runnin thru my blood veins,
Wishin they would flow deeper.
Thicker than water,
Teine I'm here to stay.
Sometimes you see,
You think I'm big & dumb.
Please try and understand my plans,
I'm just a thug, uso thuggin for true love.
Still had ups & downs,
But imma stay strong.
So tell me hows it gon be, baby teine.
Or I'll be forever lost in yur arms.

Chorus:

Baby Teuila oa mai oe?
Talofa I le faamoemoe
Le tiga o le alofa,
Pe'a ou moe.
So ou masalo sau se'I faimai,
O a'u ea le pogai.
Aua musua I nofo,
I le fia vaai.

BRIDGE:

Pei o se lamepa,

Lou umi naunau atu,
