Free free, you feel free  
Come on now just follow me  
You, you, it's all in you  
Come on now just do it do  
I won't moan, i won't beg  
I just wanna see your moving legs  
Move it like you want it to  
Move it now, just do it do  
Let it all out of your mouth  
Scream out loud from North to South  
You hear it all from East to West  
Your body's move tell which one's best  
Don't talk that much, just move around  
The music's hot, it's dancefloor sound  
The party's going on in here  
The DJ's playing music weird

Do you, do you do you wanna dance  
Do you, do you do you wanna dance  
Do you, do you do you wanna dance  
Come along and dance with me  
Do you, do you do you wanna dance  
Do you, do you do you wanna dance  
Do you, do you do you wanna dance  
Come along and dance with me  
Yeah yeah wanna dance  
Yeah yeah wanna dance  
Yeah yeah wanna dance  
Yeah come on  
Yeah yeah wanna dance  
Yeah yeah wanna dance  
Yeah yeah wanna dance  
Yeah come on

Live your dreams and fantasy  
Stay close to us, stay close to me  
This is what it's all about  
Music hot, weird and loud  
Don't need no speeding drugs at all  
In spring in summer, autumn, fall  
It's music that is speeding you

Come on now, just do it do  
We'll give you kicks, we'll give you breaks  
We give you everything it takes  
You'll feel lucky, you'll feel glad  
Kick everything out that makes you feel bad  
Come on, come on, let's move it now  
Come on, come on, we'll show you how  
Round and round and round and round  
To the groove, to the sound
