Give me your hand, give me your sign,  
Give me your hand, give me your time  
La ola hand in hand, la ola hand in hand  
Give me your hand, give me your sign,  
Give me your hand, give me your time  
La ola hand in hand, la ola hand in hand  
Oh oh oh la ola hand in hand  
La ola hand in hand  
Oh oh oh la ola hand in hand  
La ola hand in hand

Get the feeling, come and take me away  
Get the feeling, everything is OK  
Get the feeling, and do it right  
Come on baby feel good tonight  
Get the feeling, can't you understand  
Get the feeling, cos I am your friend  
Get the feeling, reach out your hand  
La ola hand in hand

Everybody reach out your hands  
We could be forever friends  
Around the world together we stand  
Sing la ola hand in hand

If you look at the world from the sky  
From out of space way up high  
I think to myself as I fly  
Life could be better if we'd try  
So free your mind, stand by my side  
Face to face son't try to hide  
Around the world, together we stand  
Sing la ola hand in hand
