## "Take Me Over"

Something burning in my head, remember words that  
you once said  
Feed the anger deep inside, all this hatred leaves me  
blind  
Just a man you left me torn and broken  
Screaming deep within my soul  
Now I'm trapped inside this hell I've spoken  
It's buried in us all

I don't see, I don't feel...  
I can't hear the words you're screaming in my ear  
Don't you know to take me over  
I can't live, I can't die... I can't run because my feet are  
in the fire  
Let me go or take me over

Soon I've got to find my way, gotta find my life today  
Tired of broken memories, they burn the fire eternally  
Just a man you left me torn and broken  
Screaming in my soul

I don't see, I don't feel...  
I can't hear the words you're screaming in my ear  
Don't you know to take me over  
I can't live, I can't die... I can't run because my feet are  
in the fire  
Let me go or take me over

The masters got a hold of me, in a world of savagery  
Broke this spell and let me go... Or take me where I'll  
never go  
Just a man you left me torn and broken  
Screaming in my soul

I don't see, I don't feel...  
I can't hear the words you're screaming in my ear  
Don't you know to take me over  
I can't live, I can't die... I can't run because my feet are  
in the fire  
Let me go or take me over

I don't see, I don't feel...

I can't hear the words you're screaming in my ear  
Don't you know to take me over  
I can't live, I can't die... I can't run because my feet are  
in the fire  
Let me go or take me over
