conductor of ashes
the structure of fear
mythic malignance
the realm of screams

the sacrifice is formalized
by demand of his dreams
we are subject to the freedom
of loyalty of self-defeat

image of man
elaborate pain
I see the conductor of ashes in
splendor again

image of dogs
prosthetic of hate
the nightmare and sorrow of men
is his real estate

a grave injustice
done to man
the pillars of of wisdom
fell by his hands
vengeant sire
self-mutilator

darkened souls but truth unfolds
in silence of many children
bright lies and cash flows
to the scream of many men

(deceptive tyrant...
conductor of ashes)
and we know you commissioned
all our sins from above
in the skies: our lives
desert sands in the wind

image of man
elaborate pain
I see the conductor of ashes in

splendor again
image of dogs
prosthetic of hate
the nightmare and sorrow of men
is his real estate

a grave injustice
done to god
ethno-surgery
immortal wounds
plugged in ritual
compulsive advertise
(... master... spirit... guardian)

blood
