The long due union of east and west  
Freedom and peace brought on the people's request  
But the halo is soiled and the cabbage's gone sour  
Teuton tantrums and a world to devour  
What they call the union of prosperity and peace  
Is the conductor of economies bringing Europe to its  
knees  
Vicious circle, downward spiral  
The rich get richer and the poor begin to starve  
Pauperised masses told to paint the world brown  
It's the merry-go-round to unravel the Teutonic mind  
Sleeping beauty waking up again  
Coming soon to a theatre near you  
Unleashed Aryans, plague of locusts  
All these years of peace to undo  
What they call the union of prosperity and peace  
Is the conductor of economies bringing Europe to its  
knees  
And it starts to go faster  
Vicious circle, downward spiral  
The rich get richer and the poor begin to starve  
Pauperised masses told to paint the world brown

It's the merry-go-round to unravel the Teutonic mind

Down and down we go

Vicious circle, downward spiral

The rich get richer and the poor begin to starve

Pauperised masses told to paint the world brown

It's the merry-go-round to unravel the Teutonic mind
