Walking down the street
I can feel the tension
Everybody on me
Like I'm some kinda suspect
It's gotten me to thinkin'
Life's some kinda survival
Hell, that'll be the day
When love is my rival
Get me on a plane
To the himalayyas
I'll find a little ruby
To waste my time with and...

Paint me a picture
And make it the devil
We'll run down the hole if
The roof ain't level

Well, I'm shit outta luck today man
Now I'm callin' in my favors
Seems that I can't chew on whipped cream
Without me wakin' up some neighbor who'll...

Paint me a picture
And make it the devil
We'll run down the hole if
The roof ain't level
Domino's fallin'
Black spiders spinnin'
The white gloves flashin'
And I ain't winnin'
