Got a mean little kitten
Chasing all the dogs away
Got a mean little kitten
Chasing all the dogs away
People ask me if she bites me

I wouldn't have it any other way

Got a mean little kitten
Growls when you get near
Got a mean little kitten
Growls when you get near
People ask me if she bites me

I tell 'em put your hand right here

Got a mean little kitten
Chasing all the dogs away
Got a mean little kitten
Chasing all the dogs away
People ask me if she bites me

We should end the song right here
