Sing buy me this ring gold  
We'll fly home to mother  
You catch a breath of the gold dust  
That buried that lover  
He jumped on the circle that went round and around  
Stuck my nose in the rose in the hole in the ground

Who owns the ground?  
Not I, not I  
The voice and the vision  
Not I, not I

When a man loves a woman  
It should be understood  
That he would jump into fire if she thought he should  
So I went to the circle that goes round and around  
And they showed me the devil in the hole in the ground

Who's seen the devil?  
Not I, not I  
The voice and the vision  
Not I, not I  
Who's seen the devil?  
Not I, not I  
The voice and the vision  
Not I, not I

When a man loves a woman  
It should be understood  
That he would jump into fire if she thought he should  
So I went to the circle that goes round and around  
And they showed me the devil in the hole in the ground

Who's seen the devil?  
Not I, not I  
The voice and the vision  
Not I, not I  
You're the light  
Not I, not I  
The voice and the vision  
Not I, not I
