Yeah

I don't realize

Been gone so long  
That you are on your way  
What's your name, boy?  
What's your name, boy?

I'll have you know that  
I'm on my way back  
And I... I don't realize

Been gone so long  
That you are on your way.  
What's your name, boy?  
What's your name, boy?

I'll have you know that  
I'm on my way back  
And I... I don't realize

Been gone so long  
That you are on your way  
What's your name, boy?  
What's your name, boy?

(Solo)

I'll have you know that  
I'm on my way back  
And I... I don't realize

Been gone so long  
That you were on your way.  
What's your name, boy?  
Was it in you, now?
