Breathe in
Breathe out
Tell me all of your doubts
Everybody bleeds this way
Just the same
Breathe in
Breathe out
Move on and break down
If everyone goes away
I will stay

We push and pull
And I fall down sometimes
I'm not letting go
You hold the other line

Cause there is a light
In your eyes
In your eyes

Hold on
Hold tight
If I'm out of your sight
And everything keeps moving on
Moving on
Hold on
Hold tight
Make it through another night
Everyday, there comes a song
With the dawn

We push and pull
And I fall down sometimes
But I'm not letting go
You hold the other line

Cause there is a light
In your eyes
In your eyes
There is a light
In your eyes
In your eyes

Breathe in
And breathe out
Breathe in
And breathe out
Breathe in
And breathe out
Breathe in
And breathe out

Look left
Look right
To the moon
And the night
Everything under the stars
Is in your arms

Cause there is a light
In your eyes
In your eyes
There is a light
In your eyes
In your eyes
There is a light
In your eyes
In your eyes
There is a light
In your eyes
In your eyes
