one day to get it all right
too wrong and not enough right
three words we said in the night
before we held the fire
high five me brother its amazing
her six shooter came out blazing
seven up and coke on the pavement
ate my heart out daily baby

hey i love you, hey i need you, hey i want you, do you
want me too?

you can count on me, when you can not see
let me spell it out plain and simple now
when your numbers called backs against the wall
pick you up when you fall be there when you call
singing a b c
you can count on me
123
you can count on me

amen we made it this far

b boys in vw cars
see me seeing into my heart
delighted through the dark
emails and coffee in the evening
effort ya brother you'll believe it
gee i don't know your secret
h. i. love you singing

hey i love you, hey i need you, hey i want you, do you
want me too?

you can count on me, when you can not see
let me spell it out plain and simple now
when your numbers called backs against the wall
pick you up when you call be there when you fall
singing a b c
you can count on me
123
you can count on me

add it up add it up now darling
come running running when your calling
