Is there really a God?  
We could really use a miracle right now.  
My secrets can't confide.  
They're given away, as soon as I can.  
And no, I'm really not that scared.  
I deserve what I get.  
Even though I'm not prepared,  
I will conquer this.  
Protecting you,  
Protecting your uselessness.  
And I know you really did try.  
They're coming for me tonight.  
I will greet them at the door with a smile.  
Invite them in to take me away.  
And it's all just a bad dream, a nightmare.  
You will leave your light on,  
So that I know you're home.  
And I've got somewhere, some direction to run to.  
And I don't care how much this hurts.  
I'm prepared for the worst.  
And I've got my friends to back me up.  
I'm really not scared.  
I'll get back to you.  
Is this what you want?  
What you wanted to see?  
Is my pain not enough for your agony?  
We've all got secrets.  
We can't keep them all.  
They run, they hide.  
Leaving you and me behind to find more.  
This is what they've been waiting for.  
This is our chance.  
Come with me.  
Wake up.
