Dream baby for me
I'll be waiting here for you
Pack your things, fly to me
Scatter me across the sky
I'll shine all night
And just like a star
I'll fall for you

Baby if you want me to,
I'd do anything for you
Just say the words,
And I'd give you the world
Yeah, but that's not good enough

Starlit sea will be our dance floor
And birds will sing our song
And your scars, your scars will heal
For you

Baby if you want me to,
I'd do anything for you
Just say the words,
And I'd give you the world
Yeah, but that's not good enough

And baby if you wanted me to, why not say so
Let me go 'cause I can't shine bright enough for you
For you
For you
For you...
I shine
For you
For you
For you...
I fall
For you
For you
For you
I shine
For you
For you
For you

Dream baby for me
I'll be waiting here for you
