Dream baby for me  
I'll be waiting here for you  
Pack your things, fly to me  
Scatter me across the sky  
I'll shine all night  
And just like a star  
I'll fall for you

Baby if you want me to,  
I'd do anything for you  
Just say the words,  
And I'd give you the world  
Yeah, but that's not good enough

Starlit sea will be our dance floor  
And birds will sing our song  
And your scars, your scars will heal  
For you

Baby if you want me to,  
I'd do anything for you  
Just say the words,  
And I'd give you the world  
Yeah, but that's not good enough

And baby if you wanted me to, why not say so  
Let me go 'cause I can't shine bright enough for you

For you  
For you  
For you...  
I shine  
For you  
For you  
For you...  
I fall  
For you  
For you  
For you  
I shine  
For you  
For you

For you

Dream baby for me  
I'll be waiting here for you
