And these are my sins
These are my regrets
I want to trade them in
For some truth

And just let it go, let it go
Let it go, let it go
Let it go, let it go

And don't waste your breath
Save your tears for somebody who believes
I can't help myself, let alone you
I give up, I give up

And these are my dreams
These are my beliefs
I wanna trade them in
For something real

And just let it go, let it go
Let it go, let it go
Let it go, let it go

Don't waste your breath
Save your tears for somebody who believes
I can't help myself, let alone you
I'm tired of making love to a memory
I give up, I give up, I give

And don't waste your breath
Save your tears for somebody who believes
I can't help myself, let alone you
I'm tired of making love to a memory
I give up, I give up, I give up on you
