the hand of my clock strikes two
at times when i got the best of you
made promises we couldn't keep
at every night we couldn't sleep

i didn't know why,
i didn't ask questions
because...
it was the first time in my life
yeah, the first time in my life when i did something
right

(chorus)
i've set
(I'VE SET!!!)
myself up for
(THE GREATEST FALL!!!!!!!!!!!!!!)
the greatest fall of all time

i've set
(I'VE SET!!!)
myself up for
(THE GREATEST FALL!!!!!!!!!!!!!!)
the greatest fall of all time

you picked me apart,
when i searched for anything to say
(in my defense)
you'll never amount to anything anyway
(but the luck that you've lost)
you think that im impressed
with your one night stands
and your contagious kiss
im tryin to get this right

yeah,
cuz im ridiculous like that

(chorus)
i've set
(I'VE SET!!!)

myself up for
(THE GREATEST FALL!!!!!!!!!!!!!!)
the greatest fall of all time

i've set
(I'VE SET!!!)
myself up for
(THE GREATEST FALL!!!!!!!!!!!!!!)
the greatest fall of all time!!!!!!!!!!!!!!!!!!!!!!

i'll keep this as
a constant reminder
of the nights i spent holding onto her
and rest assured im moving on
i miss you less with each day your gone!!!!!!
YOUR GONE!!!!!!!!!!!!!!!!!!!!!!

(chorus)
i've set
(I'VE SET!!!)
myself up for
(THE GREATEST FALL!!!!!!!!!!!!!!)
the greatest fall of all time

i've set
(I'VE SET!!!)
myself up for
(THE GREATEST FALL!!!!!!!!!!!!!!)
the greatest fall of all time
