it's nothing, it's so normal you
just stand there I could say so much
but I don't go there cuz I don't want to
I was thinking if you were lonely
maybe we could leave here and no one would know
at least not to the point that we would think so

everyone here, knows everyone here is thinking about
somebody else
it's best if we all keep this under our heads..and
I couldn't tell, if anyone here was feeling the way I do
but I'm lonely now, and I don't know how
to get it back to good

this don't mean that, you own me..well
this ain't no good, in fact it's phony as hell, yeah
but things worked out just like you wanted too
if you see me out you don't know me
try to turn your head, try to give me some room
to figure out just what I'm going to do

cuz everyone here, hates everyone here for doing just
like
they do
it's best if we all keep this quiet instead
and I couldn't tell, why everyone here was doing me
like
they do
but I'm sorry now, and I don't know how
to get it back to good

well everyone here, is wondering what it's like to be
with
somebody else
and everyone here's to blame, everyone here
gets caught up in the pleasure of the pain, well
everyone here hides
shades of shame, but looking inside we're the same,
we're
the same
and we're all grown now, yeah but we don't know how

to get it back to good

well everyone here, knows everyone here is thinking
'bout
somebody else
and it's best if we all keep this under our heads
see, I couldn't tell, if anyone here was feeling the way I
do
but it's over now, and I don't know how, it's over now
there's no getting back to good
