No, I would not sleep in this bed of lies
So toss me out and turn in
And there'll be no rest for these tired eyes
I'm marking it down to learning
I am

I don't think that I can take another empty moment
I don't think that I can fake another hollow smile
When it's not enough just to be sorry
I don't think that I could take another talk about it

Just like me you got needs
And they're only a whisper away
And we softly surrender
To these lives that we've tendered away

No, I would not sleep in this bed of lies
So toss me out and turn in
And there'll be no rest for these tired eyes
I'm marking it down to learning
I'm marking it down to learning
'Cause I am

I don't wanna be the one who turns the whole thing over
I don't wanna be somewhere where I just don't belong

Where it's not enough just be sorry
Don't you know I feel the darkness closing in

I tried to be more than me
And I gave till it all went away
And we've only surrendered
To the worst part of these winters that we've made

No, I would not sleep in this bed of lies
So toss me out and turn in
And there'll be no rest for these tired eyes
I'm marking it down to learning
I'm marking it down to learning

I am all that I'll ever be
When you lay your hands

Over me but don't go weak on me now
I know that it's weak
But God help me I need this

I will not sleep in this bed of lies
So toss me out and turn in
And there'll be no rest for these tired eyes
I'm marking it down to learning
I'm marking it down to learning
'Cause I am
