You'll say, we've got nothing in common,
No common ground to start from,
And we're falling apart,
You'll say, the world has come between us,
Our lives have come between us,
Still I know you just don't care.

And I said, "What about 'Breakfast at Tiffany's?'"
She said, "I think I remember the film,
And as I recall, I think, we both kind of liked it."
And I said, "Well that's, the one thing we've got."

I see you, the only one who knew me,
And now your eyes see through me,
I guess I was wrong,
So what now? It's plain to see we're over,
And I hate when things are over,
When so much is left undone.

(chorus)

You'll say, that we've got nothin in common,
No common ground to start from,
And we're falling apart,
You'll say the world has come between us,
Our lives have come between us,
Still I know you just don't care.

Oooooo

And I said, "What about 'Breakfast at Tiffany's?'"
She said, "I think I, remember that film,
And, as I recall, I think, we both kind of liked it,"
And I said, "Well that's, the one thing we got."

And I said, "What about 'Breakfast at Tiffany's?'"
She said, "I think I, remember that film,
And, as I recall, I think, we both kind of liked it,"
And I said, "Well that's, the one thing we got."
