We were drawn from the weeds
We were brave like soldiers
Falling down under the pale moonlight
You were holding to me
Like someone broken
And I couldn't tell you, but I'm telling you now

Just let me hold you while you're falling apart
Just let me hold you and we'll both fall down

Fall on me
Tell me everything you want me to be
Forever with you, forever in me
Ever the same

We would stand in the wind
We were free like water
Flowing down
Under the warmth of the sun
Now it's cold and we're scared
And we've both been shaken
Hey, look at us man...
This doesn't need to be the end!

Just let me hold you while you're falling apart
Just let me hold you and we'll both fall down

Fall on me tell me everything you want me to be
Forever with you
Forever in me
Ever the same
Call on me

And I'll be there for you and you'll be there for me
Forever it's you
Forever in me
Ever the same

You may need me there
To carry all your weight
But you're no burden I assure
You tide me over

With a warmth I'll not forget
But I can only
give you love

Fall on me tell me everything you want me to be
Forever with you
Forever in me
Ever the same
Call on me
I'll be there for you and you'll be there for me
Forever it's you
Forever in me
Ever the same

Forever with you
Forever in me
Ever the same

Ever the same
