It's bad enough that we had to learn  
The hard way about giving it up  
Man I thought that you were joking  
And I'm broken

You burn for a little while  
Pass it on and try something else  
Yeah, you know that you're the one  
And you turned on me  
'Cause that's the way you heard it was supposed to be

Right away you start thinking about  
The wrong things and start giving up  
Yeah, you know that we're all quitters  
Big sinners

So tell me 'cause I don't understand  
Just how to be more to the right  
You know, you know that means so much

And you turned on me  
Yeah, 'cuz I'm so sick and thin  
Do you remember where you were when things were  
heavy

So go

You could sell me about anything  
And I would buy because I like your face  
Yeah, you know that I'm a sucker  
A little fucker

Tell me it's only me  
And I'll tell you it's only you  
'Cause only you can make me weak

And you turned on me  
Yeah, 'cuz I'm so sick and thin  
Do you remember where you were when things were  
heavy  
Were when things were heavy  
Love got so heavy

Love got so heavy...

Yeah, I'm sick and thin, thin, thin, thin

It's bad enough that we had to learn  
The hard way about giving it up  
Man I thought that you were joking
