"Here Comes Horses"

Help me to remember girl if you don't mind
Cause it feels just like a jester when the music died
Haven't seen you lately, but I know that nothings
changed
Feeling kinda shaky, but the wounds have healed,
There's a crack there in the doorway where the walls
have peeled
Well the last you see the sun go down on a clear day

Chorus:
Here comes horses
Yeah there goes the rain
Here goes nothing
Here it comes again

I was thinking I was angry, but I let it go
I was waiting on a miracle, but nothing showed
And they say I knew messiah was at the local bar
Greetings from the homefront, have you heard the
news

That daddy bet his paycheck on a horse's shoe
Yeah we won't feel that way for a long long time

(chorus)
Yeah can you feel it

Sitting in a taxi at the evenin's inn,
I was trying to remember where it was I'd been and
Baby I've got someplace else to be
I ask you why you come here, you say just because
I guess I could do without it if I knew I was, well
Really doesn't matter when you look at me that way

(chorus) x 2
