Hello, hello, hello

I'm wakin' up at the start of the end of the world  
But it's feeling just like every other morning before  
Now I wonder what my life is gonna mean if it's gone

The cars are moving like a half a mile an hour and I  
Started staring at the passengers and waving goodbye  
Can you tell me what was ever really special about me  
all this time?

But I believe the world is burning to the ground  
Oh well, I guess we're gonna find out  
Let's see how far we've come  
Let's see how far we've come

Well I believe it all is coming to an end  
Oh well, I guess we're gonna pretend  
Let's see how far we've come  
Let's see how far we've come

I think you turn, turn the clock, but I don't really know  
And I can't remember caring for an hour or so  
Started crying and I couldn't stop myself  
I started running but there's nowhere to run to

I sat down on the street, took a look at myself  
Said, "Where you going man, you know the world is  
headed for hell?"  
Say your goodbyes if you got someone you can say  
goodbye to

I believe the world is burning to the ground

Oh well, I guess we're gonna find out  
Let's see how far we've come  
Let's see how far we've come

Well I believe it all is coming to an end  
Oh well, I guess we're gonna pretend  
Let's see how far we've come  
Let's see how far we've come

It's gone, gone, baby, it's all gone  
There's no one on the corner  
And there's no one at home  
Well it was cool cool, it was just all cool  
Now it's over for me, and it's over for you

Well it's gone, gone, baby, it's all gone  
There's no one on the corner  
And there's no one at home  
Well it was cool cool, it was just all cool  
Now it's over for me, and it's over for you

I believe the world is burning to the ground  
Oh well, I guess we're gonna find out  
Let's see how far we've come  
Let's see how far we've come

Yeah well, I believe it all is coming to an end  
Oh well, I guess we're gonna pretend  
Let's see how far we've come  
Let's see how far we've come

Let's see how far we've come  
Let's see how far we've come  
Let's see how far we've come  
Let's see how far we've come

Let's see how far we've come  
Let's see how far we've come  
Let's see how far we've come
