I think I've already lost you
I think you're already gone
I think I'm finally scared now
You think I'm weak - I think you're wrong
I think you're already leaving
Feels like your hand is on the door
I thought this place was an empire
Now I'm relaxed - I can't be sure

And I think you're so mean - I think we should try
I think I could need - this in my life
I think I'm scared - I think too much
I know it's wrong it's a problem I'm dealing

If you're gone - maybe it's time to come home
There's an awful lot of breathing room
But I can hardly move
If you're gone - baby you need to come home, oh come home
There's a little bit of something me
In everything in you

I bet you're hard to get over
I bet the moon just won't shine
I bet my hands I can stay here
I bet you need - more than you mind

And I think you're so mean - I think we should try
I think I could need - this in my life
I think I'm just scared - that I know too much
I can't relate and that's a problem I'm feeling

If you're gone - maybe it's time to COME home
There's an awful lot of breathing room
But I can hardly move
If you're gone - baby you need to come home, oh come home
There's a little bit of something me
In everything
in
you

I think you're so mean - I think we should try
I think I could need - this in my life
And I think I'm scared - do I talk too much
I know it's wrong it's a problem I'm dealing

If you're gone - maybe it's time to come home
There's an awful lot of breathing room
But I can hardly move
If you're gone " Hell, baby you need to come
home
There's a little bit of something me
In everything in you, everything in .in you.
