It's sitting by the overcoat
The second shelf, the note she wrote
That I can't bring myself to throw away
And also reach she said for no one else but you
'Cause you won't turn away when someone else is gone

I'm sorry 'bout the attitude
I need to give when I'm with you
But no one else would take this shit from me
And I'm so, terrified of no one else but me
I'm here all the time, I won't go away

And it's me, yeah well I can't get myself to go away
It's me, and I can't get myself to go away
Oh God I shouldn't feel this way now

Reach down your hand in your pocket
Pull out your hope for me
It's been a long day, always, ain't that right?
And no Lord your hand won't stop it
Just keep you trembling
It's been a long day, always, ain't that right?

Well I'm surprised that if you'd believe
In any thing that comes from me
I didn't hear from you or from someone else
And you're so, set in life man, a pisser they're waiting
Too damn bad you get so far, so fast, so what? So long

Reach down your hand in your pocket
Pull out your hope for me
It's been a long day, always, ain't that right?
And no Lord your hand won't stop it
Just keep you trembling
It's been a long day, always, ain't that right?
Oh, ain't that right?

It's me, yeah, well I can't get myself to go away
Well it's me, yeah, well I can't get myself to go away
Oh God I shouldn't feel this way now

Reach down your hand in your pocket

Pull out your hope for me
It's been a long day, always, ain't that right?
And no Lord your hand won't stop it
Just keep you trembling
It's been a long day, always, ain't that right?

Reach down your hand in your pocket, well
Reach down your hand right now
It's been a long day, always ain't that right?
Reach down your hand in your pocket, well
Reach down your hand right now
It's been a long day, always ain't that right?

Oh ain't that right?
Well ain't that right, right, right, right oh child
Right, right, right oh well, oh right, oh child?
